Reference 12-Day Pre-Primary (7/1/10 - 8/4/10)

Dear Mr. Kaye:

In response to your letter dated September 28, 2010 regarding duplicate names in our database and aggregated interest accrual on the above-referenced FEC Report, we have made the following changes:

The Committee has gone through all contributions in an effort to merge all duplicate data sets for contributors for this election cycle accurately. As a result, aggregates were changed and we are amending our October 2009 Quarterly report and all reports through the Pre-General 2010 report to report these changes properly.

The Committee has also made an entry reflecting the compounded interest on all outstanding loans reflected in the above-referenced FEC report. We have made an entry on the Pre-Primary 2010 report as requested in your letter dated September 28, 2010 to reflect the outstanding interest due by the campaign. The Committee has also made compounded accrual entries on all amendments, to report the outstanding interest expense accurately.

Please feel free to contact the Committee if you have any questions.

Sincerely,

Alan Grayson
